Rental or owned	**Custom rental**
Finish level	**Standard**
Show city tier	**Standard market**
Shows per year	**1**

SELECTED ADD-ONS

No add-ons selected. The figures below cover the booth and standard show services only.

COST BREAKDOWN, PER SHOW

Booth — design, fabrication, graphics, lighting, project management	**$17,500 – $24,150**
Show services — drayage, electrical, rigging, labour	**$5,200 – $10,400**

ALL-IN, PER SHOW

$22,700 – $34,550

Before any early-bird or multi-show discounts.

WHAT HAPPENS NEXT

- A senior project manager reviews this configuration against your actual show, venue and dates.
- We confirm which show services your venue's contractor controls, and file those orders on your behalf.
- You get a complimentary photoreal 3D concept of the booth — no cost, no obligation, yours to keep.
- Final pricing is confirmed in writing before anything is committed.

Next step: get your exact price — send this estimate to us

This is a budgeting estimate, not a quote. Email or call us with your show and dates and a designer confirms your exact pricing within one business day — plus a complimentary photoreal 3D concept of this booth.

1-782-409-2527 · info@tractionx.ca

Approximate, non-binding estimate for budgeting only — not a final quote. Final pricing depends on final design, graphics, AV, labour rates, show services, freight and drayage (billed by the venue), and is confirmed in writing by a Traction X designer.
